Thanks to everybody for your work on the Carter letter. We ended up with a really impressive list of members who signed on.

Building on that momentum, Walgreens will be hosting House Majority Leader Kevin McCarthy on **April 26 at 9 am** (location TBD) for a pharmacy only fundraiser, and we hope you'll be able to support it. We will discuss HR 592 and the role of pharmacists in the opioid crisis. And we'll also be directly highlighting the letter and the fact that over a dozen of the House's most vulnerable members and three members running for the Senate signed onto it.

We will be scheduling similar events with other Republican leaders in the House and Senate to get this message across loud and clear. We'll be looking for your support as we schedule those events, and will share days and times as we have them.
